

The vacation calendar presents the schedule in a familiar format.

View the vacation schedule on the screen or print it out.

A Vacation Calendar can be printed for:

1. The entire company.
2. One department.
3. One work center in a department.

The "Report Parameters" field tells you how you decided to view the data.

Start Paradox Ru... 8:20 AM

If more than 7 people are on vacation on a date, then a second, third, calendar is created.

The date field shows: employee number, last name, and first initial of employees on vacation.
